PASSENGER TRAIN AND AUTO BUS COLLIDE

Nine persons were injured, none fatally, Wednesday night, when a motor bus operating between Lexington and Georgetown, was struck by a Louisville & Nashville passenger train at the crossing of Third and Georgetown streets, in Lexington. Three of the people injured are well known in Paris, Ben Lair, Mrs. Dan B. Henderson, of Georgetown, formerly of Paris, and Col. Tom G. Stuart, of Winchester. The injured were Thomas G. Stuart, of Winchester, Mrs. A. F. Glenn, Georgetown; J. M. Pierce, Greendale; Mrs. Dan R. Henderson, Georgetown; Mrs. W. B. Jones, Georgetown; Ben Lair, Georgetown.

The train which struck the bus was No. 132, running between Paris and Lexington. It makes connection with the fast northbound and southbound trains running over the main line of the L. & N. system through Paris. The motor bus belongs to the Bluegrass Transportation Co. of Georgetown. The collision, according to A. B. Morrison, of Georgetown, driver of the truck, was unavoidable, as he did not realize that the train was approaching until it was but a few feet from the bus, and it was then too late to stop.

The injured people were removed to a Lexington hospital, where they were given medical attention, and sent afterward to their homes.

GROCERY ROBBED

Burglars paid a visit to the grocery of Chas. P. Cook & Co., on Main street, between Seventh and Eighth, Wednesday night. The thief or thieves effected an entrance through a window in the rear of the store. They secured about \$1.50 from the cash register, which had not been closed during the night. Nothing else was missed from the store. The robbery was evidently the work of amateurs. The police were notified. Earlier in the week similar robberies took place in Paris, the Paris Billiard Co. and the Brooks & Snapp drug store being visited. In each instance the same methods were employed for effecting an entrance.

THUMB CUT OFF.

While working with a big turning lathe in the L. & N. roundhouse in the South Paris yards yesterday afternoon, Henry Sanders, Jr., had the thumb on his left hand cut off by being caught in the cogwheels of the machine. He was given immediate medical attention and taken home.

SPECIAL TOBACCO DRIVE MEETS GREAT SUCCESS

The big drive for signatures of the tobacco growers in Bourbon County to the Burley Marketing Association is progressing rapidly and the successful work accomplished by Chairman Sam Clay and his assistants Monday and Tuesday is most encouraging. Mr. Clay and his helpers this week signed up over half a million pounds of tobacco from Bourbon growers, which brings the total amount of Bourbon tobacco pooled to nearly half the acreage in the county.

Bourbon tobacco growers who are at all skeptical concerning the benefits to be derived from signing of their tobacco in the Burley Tobacco Marketing Association, should read over the list of Bourbon County farmers who are signing this contract. The names of so many of our successful farmers to this contract should be most reassuring to tobacco growers, and is in itself almost a guarantee that the marketing association is the only safe way for the farmer to market his tobacco to the best advantage for all concerned.

Every farmer who has not signed this contract should read again this sensible instrument of agreement, and at the very earliest possible moment he should put his signature to it, thereby greatly assisting Chairman Clay and his assistants, who are working hard and unselfishly, without any remuneration whatever, for the success of the movement.

Workers in the local campaign report that it is not at all difficult, in view of the prices paid for tobacco last year and the news from the opening of the Southern market, to induce growers to sign the contract, nor is the five-year term proving a handicap in the work, inasmuch as most of the growers themselves are convinced that something more permanent than previous organizations of the growers must be had if any real stability in the tobacco market is to be the permanent result.

In the campaign conducted the first three days of this week the following results have been announced: Woodford county, 1,000,000 pounds; Clark county, 800,000 pounds; Fayette county, 820,000 pounds; Mercer county, 730,000 pounds; Scott county, 620,000 pounds; Bourbon county, 450,000 pounds, a total of 5,030,000 pounds.

Read over the list of recent signatures and seek out Mr. Clay or one of his assistants and sign up to-day:

MR. JOE B. SMITH THANKS HIS FRIENDS FOR SUPPORT

I want to express my sincere appreciation for the support given me by my friends in the race for the Democratic nomination for Tax Commissioner, and to assure them that their efforts in my behalf will always be remembered. The primary election is now over and it is my desire to congratulate the victor, Mr. Ben Woodford and assure him of my hearty support in November.

Also, to inform all of my Bourbon county friends that I am still engaged in the buying and selling of live stock at the same old stand; that I am looking for business and can care for all of my customers in the future as in the past. Call in and talk it over.

Again thanking everybody who helped me in my first political aspiration, and assuring them of my best wishes, I am,
Very Respectfully,
JOE B. SMITH.

CHURCH BASEBALL LEAGUE ORGANIZED

At a meeting held Monday night in the office of the Presbyterian church, the baseball teams of four of the churches of Paris were represented, Presbyterian by Garrett Jefferson, Methodist by Chas. A. Duncan, Christian by Lucien Arrasparger, and the Baptist by J. T. Tucker.

It was decided to organize a church league, one representative from each of the churches to form the managing board. A cup or a pennant will be awarded the winning team. That the basis of membership should be fair to all teams the board of managers decided that the players must be members of the church on whose team they are playing. Those who are playing professional baseball are not eligible. A good deal of interest has been shown in the games which have been played by the different church teams. The formation of the league will make the games more interesting. Every church will back up and encourage its team by turning out to root for them at their games. Every lover of baseball will be glad of the chance to attend these games.

PARIS HIGH SCHOOL NOTES

Prof. F. A. Scott, for the past eight years Superintendent of Schools at Eminence, has been selected for the department of mathematics of the Paris High School. Prof. Scott was out of school work for two years while with the American army in France. He is a graduate of the Southwestern Presbyterian University of Tennessee, and the past two summers has been in Columbia University, working toward his M. A. degree. Prof. Scott is one of the most popular and efficient teachers in Kentucky. He has a remarkably successful record in boy scout work, church work and athletics, as well as school work. He will be a great addition to the Paris schools as well as a great help to all the progressive activities of the city.

Miss Ruby Dagley, M. A., who has been a member of the Transylvania faculty, has been selected as the head of the French and Spanish department of the Paris High School, to succeed Miss Jessamine Bell, who was married recently to Mr. Wm. E. Hacker, secretary of the Paris Commercial Club. Miss Dagley specialized in modern languages in Transylvania College, and taught French for two years at Hamilton College. For the past two years she has been head of the French department at Covington, Virginia. Early in the summer she joined the Monroe party which sailed for Europe and has spent the summer studying at the University of Paris, France. She will leave there in time to start work here at the beginning of the school year.

VERDICT SET ASIDE IN GOODMAN DAMAGE SUIT

Circuit Judge M. L. Harbeson granted a motion of the defendant sitting aside a verdict of \$7,500 damages, which had been awarded to B. F. Goodman, of Covington and Paris, former Blue Grass League baseball player, against the Louisville and Nashville Railroad Company on the ground that the award was excessive and that there was error in instructing the jury. Goodman sued for \$12,000, alleging he was employed as a brakeman for the company. He contended his employers had supplied him with a defective lantern, the flame of which was extinguished when he was making a run the night he was injured. Goodman is at present making his home in Paris, where his wife and family are guests at the home of her parents, Mr. and Mrs. James McNamara, Sr.

TO ADMINISTER ESTATE

In the County Court Judge Geo. Batterton entered an order appointing Dan Peed and W. E. Patton as administrators of the estate of the late Dan W. Peed, Sr., who died after a long illness. They accepted the trust and qualified by furnishing bond in the sum of \$40,000, with Mrs. Alma Peed, as surety. The estate consists of valuable real estate, stocks, bonds, etc.

James Porter Sidener has been appointed by County Judge George Batterton as executor of the estate of the late Mrs. Mattie L. King. The bond was fixed at \$6,000, with Ira Parks as surety. By the terms of the will the property is left to her son, Earl King, of Paris, with the exception of \$500, which was bequeathed to the decedent's brother, James Porter Sidener.

Whether we believe in moon signs or not we must admit the drought was not broken until there was a new moon.

TOURING NEWSPAPER MAN VISITS PARIS.

Accompanied by four cocker spaniels, Elwood Lloyd, formerly on the staff of the Memphis, Tenn., Commercial-Appeal, skipper, Karl L. Marshall navigator, Mrs. Anna Mary Lloyd, supercargo, and Bessie Thomas bo'swain, arrived in Paris, Wednesday morning, aboard "The Snail," an automobile which has been fitted up as a traveling house, in which the party left Memphis, on July 13, on a tour of the United States. The members of the party spent several hours in Paris, seeing the city and its sights, and left late in the afternoon for Cynthiana, Falmouth, and on to Cincinnati.

To avoid useless conversation the travelers carried printed answers to 101 questions, which covered thoroughly and most efficiently the whys and hows of the trip. This deterred the two Paris newspaper men who discovered them from asking more than the usual number of questions about the trip. The members of the party told many interesting events that had happened on the long journey from Memphis.

The tour was arranged by Mr. Lloyd to spend a year in the open air upon the advice of his physicians. The automobile was provided with ample conveniences for making the trip, arrangements being made for camping out at night in tents conveniently attached to the machine. Articles are being written by Mr. Lloyd for Eastern newspapers and magazines, detailing happenings along the road, and the income from these articles are expected to pay the expenses of the trip. Mr. Lloyd mentioned Paris as being one of the most attractive-looking cities they had seen in their journey through the State.

BASE BALL NOTES

The first game on the Second street park, in this city, between teams of the newly organized Kentucky Baseball League, which is destined to become a permanent fixture in baseball circles, will be between the Paris Ruggles and the Covington Athletic teams, Sunday afternoon. The game will be called promptly at 2:30 o'clock.

The Covington team is considered one of the strongest teams in the new league, having made an enviable record on the Covington, Newport and Cincinnati semi-pro circuit during the season, as well as during the past season. Paris will present a strong line-up also, with some new talent in line, and with a determination to show the Covingtonites some of the fine points of the game.

Every baseball fan in the city and county should come out to this game, and stimulate local pride in the home team. Root loud and long, and let's try to make the opener one that will be remembered in baseball annals for all time to come.

BOURBON PEOPLE FIGURE IN DIVORCE COURTS

The divorce petition of Mrs. Almada Stewart, was granted a novel twist in the Fayette Circuit Court, Wednesday. Mrs. Stewart declared that her husband had told many persons that she had been guilty of misconduct and when asked concerning statements he had made declared that he was convinced they were true because he dreamed on two occasions that he had been bitten by a spider.

Mrs. Stewart also charges that he has treated her cruelly and on occasions beat her. Stewart, the petitioner declares, is the one who has been guilty of misconduct. Mrs. Stewart asks that she be given the custody of their two infant children. They were married in 1912 in Bourbon county and lived together until September, 1920.

The parties resided near Hutchison for some time, where Stewart was engaged in farming.

AUTO CATCHES FIRE

The automobile belonging to Daugherty Bros., caught fire while standing in front of the Grand Opera House, Monday night, causing an alarm to be sent in from Box 27. The department responded, and had the blaze quickly under control by the aid of chemical extinguishers. It was stated that the blaze was caused by a man striking a match near the gasoline tank, from which a small leak trailed on the ground. The machine was not damaged.

Mrs. Cassius M. Clay, Mrs. Charlotte Alexander and Miss Elizabeth Grimes, of Paris, members of Jemima Johnson Chapter, D. A. R., attended a meeting of the Patriotic Education Committee of the organization, held at the Phoenix Hotel, in Lexington, Wednesday morning and afternoon. Miss Rebecca Averill, of Frankfort, chairman of the committee, made her report, which was accepted for presentation to the board. The articles of incorporation, as recommended by Miss Anna Samuels, of Frankfort, provide for a minimum of twenty chapters as incorporators, that the name of the corporation be The Kentucky D. A. R. School, that there be no capital stock, and that no pecuniary profit is to be derived from its activities.

Plans for maintaining the mountain school to be established at Hueysville, in Floyd county, by the D. A. R., were discussed at the meeting of the State Board, held in the afternoon. It was unanimously decided to employ Miss Virginia Croft, as head of the school. Miss Croft has had a great deal of experience in the mountains and is said to be a master in mountain craft. The program was mapped out for holding the State meeting of the D. A. R. in Frankfort, on October 26 and 27. Miss Annie Samuels, of Frankfort, was appointed chairman in charge of the arrangements for the meeting.

DON'T HESITATE, SIGN BURLEY CONTRACT NOW

Why hesitate about signing a contract with the Burley Tobacco Co-operative Marketing Association? It is a selling not a holding organization. It will sell your tobacco at a profit, enable you to pay for your land. It will cut down the expense of selling; you can sell your tobacco for less cost in the association than over the loose leaf floors.

You will be paid for your tobacco as soon as it is sold.

If the necessary 75 per cent. of the growers sign in time the 1921 crop can be disposed of, without reasonable doubt, in winter order and you will receive your money almost as quickly.

Isn't it just plain common sense that an organization having in its possession 75 per cent. of the tobacco crop can sell that tobacco at a better price than 40,000 growers acting as individual sellers? This Tobacco Co-operative Marketing Association is just what its name means, working together and everyone shares alike.

Remember Kentucky's State Motto: "United, we stand; Divided, we fall."

ATTENTION, P. H. S. FOOT BALL PLAYERS.

Coach M. M. Sheffield will go to Camp Daniel Boone next Wednesday for a week's stay at the Kentucky High School Old Boys' Conference. He wants to take with him as many foot ball players as possible. While at Camp Boone, Mr. Sheffield will spend two hours each day coaching the team. Regular daily football practice will be started on August 24 at the High School in order to have the teams ready for September 16, the date of the first game. New football jerseys, pants and stockings will be issued to all players before they start to Camp Boone next week.

ATTENTION, TOBACCO GROWERS

ALL WHO ARE DESIROUS OF SIGNING THE CO-OPERATIVE BURLEY TOBACCO MARKETING ASSOCIATION CONTRACT ARE ASKED TO CALL AT THE OFFICE IN THE COURT HOUSE, WHERE THEY WILL BE RECEIVED WITH ALL COURTESY. IT IS IMPOSSIBLE TO SEE EVERYONE IN PERSON. IF YOU ARE INTERESTED IN THE CONTRACT TO THAT EXTENT, CALL AT THE OFFICE AND SIGN UP. (26-tf)
